Hi Shashi.

Things are looking good over at the Rec Center. Looks like the pool and sidewalks are almost done.

Are we still on target for a July 1 opening?

Thank you,

Hi Dan,

We are going to try but Inspection with the State and LA County health may need additional time. I'll have better estimate for you by end of next week as some of the critical water slide and pool start up issues are worked on. See attached photo.

Thank you, Shashi, for the guick reply. The Councilmember is anxious for the pool to open on schedule; can we assist with the Inspections in any way? Let me know whom our office can speak to at State/County to help speed things up; we are happy to do so.

Pool looks great - please let me know about the Inspections.

Hi Shashi,

I haven't heard from you in a couple of weeks. Per my previous emails, the Councilmember is anxious for the pool to open on schedule, and has asked me to follow up.

We are now getting reporter requests regarding the opening. Please let me know.

Thanks!

Dan,

My apology. We are completing all of punch list items and inspection from LACounty and Cal OSHA. ITA and their vendors are installing the communication and security system. We are applying for the Temporary Certificate of Occupancy this week. We are working closely with Cal OSHA as it is time consuming. As of now, best estimate of completing the project is 3rd and 4th week. We'll have better estimate next week. I will keep you posted. Again, my apology. Shashi Bhakta

Thanks, Shashi!

I spoke with Neil today - we also reached out to RAP to schedule a grand opening date for last week of July. We would like to get it on the Councilmember's schedule ASAP before July books up.

Hi Dan,

Just to keep you posted....We continue to work on punch list items. The LA County Health Department inspection for the pool and bath house is scheduled for early next week. The water slide, Cal OSHA inspection punch list item is being worked on and compiling documents as required. The B&S has initiated the check list for the Certificate of Occupancy. The goal of opening pool in last week of July 2015 must be validated after we receive the punch list from the LA County Health Department. We will assess that list and provide you with an up-date toward the end of next week.

Thanks and have a good 4th of July weekend.

Dan.

As I mentioned previously that LA County Health Department's inspection is scheduled for next week. Depending on the inspection and corrective measures necessary, we should be able to provide you with a better estimate of the completion toward the end of next week.

Thanks, Shashi. We just met with the Councilmember. He is very firm on the pool opening by the end of this month. When is the County Health inspection next week? Would it help if I attended; I am happy to lean on them so there are no further delays.

Dan,

Thank you for your offering to assist in the inspection process. The Inspector is scheduled to be at job site on Monday. It is not so much the Inspection as they have already made a special accommodation for this project. It is more to do with time necessary to attended to all corrective actions and validation of the same by the Inspector. That being said, please stand-by for the up-dates next week and any assistance that we may need from you.
